

**Instagram:** University of Alabama students are hard at work in the classroom and in the community. Ever since the 2011 tornadoes swept through Tuscaloosa, UA students have been spending time volunteering with Habitat for Humanity. See how these students are helping the nonprofit build it's 116th home in Tuscaloosa. <https://youtu.be/uNTYfurjRwM>  
#HabitatforHumanity #UATCF335

**Facebook:** Claire Maddrey is a student at The University of Alabama. See how she is making a difference in the Tuscaloosa community just by lending 8 hours a week!
